

THE ALBERTA BLONDE ASSOCIATION PRESENTS

2010

NATIONAL

BLONDE d'AQUITAINE

SHOW & SALE

**Saturday November 20th @ 6 pm MST (sale)
Olds Cow Palace - Olds, Alberta**

Welcome to the 2010 National Blonde d'Aquitaine Association Show, Sale and AGM.

It has been a number of years since "The National" was last held in Alberta, and we are very excited to be hosting the event once again. The National always brings out top cattle from across the country. 2010 will be no different, as we have high quality cattle from around Alberta, and Ontario. Not only will there be great cattle exhibited, but many will also sell in the sale Saturday evening. While the sale offering may be small in numbers, it is definitely an Elite group.

We would like to thank Art & Sharon Breitkreuz of Arsha Blondes for donating our fundraising heifer. She is a double polled Fullblood heifer, and she is quiet and halter broke. Chances to win her will be sold on Saturday at the beginning of the sale. Thanks also to those who donated items to our silent auction, those who sponsored events/classes throughout the weekend, show exhibitors, bidders/buyers, volunteers and guests. Without all of your support this event couldn't happen.

The Annual General Meeting will be held Sunday, and encourage you all to get involved. We understand that not everyone can attend, but you can still have your voice be heard. All 2010 Canadian Blonde members should have received an official notice by mail. This notice outlined the directors whose terms were up, proposed by-law changes and had a voting proxy that could be signed. If you cannot make it, take the time to read the mail-out, talk to people involved, make some decisions and find someone to carry your proxy for you.

One last note. If anyone needs assistance bidding on cattle in the sale, chances to win the donation heifer or items in the silent auction please contact any of the people listed on the following page. We would be more than happy to help you, and treat you with honesty and integrity.

Bienvenue au Salon national de l'Association 2010 Blonde d'Aquitaine, la vente et à l'AGA

D'abord, je tiens à m'excuser auprès de nos membres français si les paragraphes qui suivent n'ont pas de sens. J'ai utilisé Google translate, et il ne peut pas être entièrement exacts.

Il a été un certain nombre d'années écoulées depuis "The National" a été mise à eu lieu en Alberta, et nous sommes très heureux d'accueillir l'événement une fois de plus. Le National apporte toujours des bovins venus des quatre coins du pays. 2010 ne sera pas différent, comme nous l'avons bovins de haute qualité à travers l'Alberta et l'Ontario. Non seulement il y aura gros bétail exposé, mais de nombreux vendra également dans la vente du samedi soir. Bien que l'offre de vente peut être petite en nombre, il est définitivement un groupe d'élite.

Nous tenons à remercier Art & Sharon Breitkreuz des Blondes Arsha pour le don de nos génisses de collecte de fonds. Elle est une génisse double interrogés Fullblood, et elle est tranquille et bain de soleil éclaté. Les chances de sa victoire sera vendu le samedi au début de la vente. Merci aussi à ceux qui ont donné des articles pour l'encan silencieux, ces événements qui a parrainé / classes tout au long du week-end, les exposants du salon, les soumissionnaires / acheteurs, les bénévoles et les invités. Sans tous de votre soutien à cet événement ne pourrait pas arriver.

L'assemblée générale annuelle aura lieu le dimanche, et vous encourage tous à y participer. Nous comprenons que tous ne peuvent pas y assister, mais vous pouvez toujours avoir votre voix soit entendue. Tous canadienne de 2010 membres Blonde devriez avoir reçu un avis officiel par la poste. Cet avis décrivait les administrateurs dont le mandat a augmenté, les modifications proposées par la loi et avait une procuration de vote qui pourrait être signé. Si vous ne

peuvent pas le faire, prendre le temps de lire le mail-out, parler aux personnes impliquées, prendre des décisions et de trouver quelqu'un pour porter votre procuration pour vous.

Une dernière note. Ian Kruis des Knox Innovations a accepté d'être le contact pour nos membres de langue française. Si quelqu'un a besoin d'une assistance d'appel d'offres sur le bétail dans la vente, les chances de gagner la génisse don ou articles à l'encan silencieux s'il vous plaît communiquer avec lui à la maison avant l'événement. Vous pouvez également contacter Reed Rigney sur son téléphone portable lors de l'événement, et nous vous mettrons en contact avec un locuteur français.

ARSHA'S POLLED SADIE 248S -[CAN]R17658-(P)

ARSHA NICOLE 48N -[CAN]R17057-(P)

BW 91 lbs. A real generous donation by Arsha Blondes. 48X is a thick made attractive patterned heifer with a great temperament. She is a double polled heifer, as is her dam Sadie who has only had polled calves to date, all of which have made the keeper pen. Sadie is a sound young cow with a very nice udder who's dam 48N is one of the top cows in the Arsha herd. The "48" line of cows have done an excellent job for the Arsha program, and this heifer should be no different.

Donated by: ARSHA Blondes
 Art & Sharon Breitkreuz

Donation Heifer Auction Procedure

1. The final bid in each round will denote the amount of that bidder's donation.
e.g. Round 1 - Final Bid is \$300.00 to Randy Mitchell. Randy's donation is \$300.00. Round 2 - Final bid is \$250.00 to Tom Jones. Tom's donation is \$250.00. Round 3 - The female is re-auctioned on a downward scale until no further bids are received for more than \$50.00.
2. Donations of amounts less than \$50 may be made prior to the end of the sale at the clerks table.
3. Each \$10 purchased (donated) represents once chance in the final draw. e.g. Randy Mitchell has 30 chances. Tom Jones has 25 chances and so on down the scale to the final \$10 donation worth one chance each.
4. One ticket for every \$10 donated, bearing the contributor's name will be put into a draw barrel.
5. At the end of the sale, one ticket will be drawn, with the owner of that ticket winning the heifer. Winner does not need to be present at the sale.
6. If you are un-able to attend the sale and wish to make a donation for a chance to win the heifer please contact one of the sales representatives.

SILENT AUCTION ITEMS

Silent Auction Procedure

1. Each item will have a bidding sheet located at the Alberta Blonde Booth. Bidders will write their name and bid on the sheet.
2. Bidding will end prior to the start of the sale; 6 p.m. on Saturday November 20th.
3. Buyers will be responsible for all shipping and handling of any purchases they make.
4. If you are un-able to attend the sale and wish to make a bid on an item please contact one of the sales representatives.

Trigger is an absolute puppy dog. He started out as a display bull for the Alberta Blonde Association and took a liking to being pampered. He is a very long bodied bull with a smooth shoulder and head. Don't get too worried about his birthweight; he has not sired calves that big and there have been no calving troubles even out of first calf heifers. His dam is a very nice uddered cow that raised a great full brother to Trigger this year. He will also be shown at the National Show.

Take a good look at this fella. 2009 show bull of the year as a calf. 2010 results are not finalized but I am sure he is show bull of 2010. He was Grand Champion in an "all breeds" show at Rose-neath. This was the first show that a Blonde has been Grand Champion in an "all breeds" show in Ontario that I have been at. He also has the undefeated Hanover Cassandra (also the mother of Hanover Special) up close in his pedigree.

He is heavy muscled while keeping eye appeal, long bodied, growthy, good footed, has a good temperament and measured 36.5 cm @ 15 months of age. He was also the third high gainer (28 bulls) in the Alberta Blonde bull test this past winter and had the top weight per day of age. Warden is simply a very complete bull. The dams side also has great maternal strength going back to WSS Mighty and Tonmark Lena. This is the same cow family that produced WSS Wendy 4W and several other show champions for us.

Whitney is a double polled heifer that offers a different pedigree
for many polled Fullblood breeders. We purchased a package of
cow/calf pairs from Arsha Blondes in the spring of 2009, and her
dam has done well for us. 16L has milked well, has a sound ud-

She is big butted, wide topped with great spring of rib and combines it in a very eye appealing package. Again WSS Mighty shows up on the dams side, strengthening the maternal traits. The dam, Kelsey, produced a number of champions in the early and mid 90's. Another Corby daughter from our embryo program, WSS Lucy 14W, was recently named Reserve Junior Champion at the Lindsay Ex. And sold for \$2975 at the Cream of the Crop sale in Ontario. I think Xquisite may be better.

Animals resold following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not by the terms and conditions of this sale.

ANNOUNCEMENTS - Announcements from the auction block shall take precedence over printed material in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

BIDDING - Animals will be sold singly or in lots to the highest bidder. Bidding will be carried out in Canadian dollars.

AUCTIONEER - The auctioneer will settle any disputes as to bids and his decision on such matters will be final. The auctioneer shall have the right to refuse bids from anyone who has previous record of default in payment or who has not made proper credit clearance prior to the sale.

RISK - Cattle are at the buyer's risk as soon as sold, but every precaution will be taken for their welfare.

TERMS - The terms of the sale are cash or cheque payable at par at Sale location. The current rate of exchange as of sale day will apply to purchases made by U.S. buyers. Parties unknown to Alberta Blonde d'Aquitaine Association desiring to settle by personal cheque, should bring a letter of identification from their bankers. The right of property shall not pass until after full settlement is made. The Alberta Blonde d'Aquitaine Association reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any buyer fail to settle for his purchases or having settled defaults in any manner the Alberta Blonde d'Aquitaine Association reserves full power to resell the animal to the best advantage either publicly or privately without further notice. Any loss arising from such resale together with keep and all other expenses incurred shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

SHIPPING - Purchasers are responsible for arranging trucking and care for their animals, however every effort will be made by the consignors to coordinate shipping.

AGENT ONLY - It is clearly understood that Alberta Blonde d'Aquitaine Association is acting only as intermediary between buyer and seller and is not responsible for any failure by either party to live up to his Obligations. Any legal action that may in extreme cases, have to be taken, must be between the buyer and seller and will in no way involve Alberta Blonde d'Aquitaine Association.

PAPERS - Each animal will carry papers issued by the Canadian Blonde d'Aquitaine Association. Transferred certificates issued by the Canadian Blonde d'Aquitaine Association will be furnished in the name of the new owner when full settlement has been made.

SOLICITING - Promoting the sale of cattle, other than those in the sale is frowned upon and considered an unethical practice during any sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of the buyers, neither the Alberta Blonde d'Aquitaine Association, its Board of Directors, auctioneer or the owner assumes any responsibility in these matters and disclaims any liability legal or otherwise in the event of accident or loss of property.

BREEDERS GUARANTEE BULLS - All bulls, except calves at side are guaranteed breeders. Each bull after reaching the age of fifteen (15) months

must be capable of settling (7) head or seventy five per (75%) of the eligible normal healthy breeding age females, whichever is the lesser of the two, providing he has run with the females for Ninety (90) days. The seller is not responsible for damage caused by foreign bodies nor for sickness not apparent at sale time. No guarantee regarding the freezing ability of a bull's semen is made or implied in the sale of a bull unless covered specifically in a written contract. In the case of a complaint regarding a bull's breeding guarantee the buyer should report same in writing to the seller enclosing a report prepared by a licensed veterinarian with six (6) months of the sale date of within six (6) months of the time the bull reaches the age of fifteen (15) months, whichever occurs last. The bull must be returned to the seller at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchase price of the bull, or he may attempt to prove the bull is a breeder under the terms set out above within six (6) months of the bull's return. If the bull is proven to be a breeder within six (6) months provided, the bull shall be returned to the buyer at the buyer's expense. If he is not proven to be a breeder, then replacement of refund is mandatory.

BREEDERS GUARANTEE FEMALES - Cows represented as being "pregnancy tested Safe in calf" have been examined and declared safe by a licensed veterinarian and will be accompanied by a veterinarian's certificate to this effect. They are considered breeders without further guarantee. Cows with calves less than six (6) months of age at side shall be considered breeders also without further guarantee. Cows and heifers represented as "bred" are not guaranteed safe in calf, but they and open heifers selling as individual lots are guaranteed to be breeders. No guarantee shall apply to suckling calves.

In the event a female is claimed to be a non-breeder, after having been bred regularly to a bull known to be a breeder and after having been examined by a licensed veterinarian, the matter must be reported in writing to the seller within (6) months of the sale date. For Heifers under twelve (12) months of age and purchased as single lots and who fail to conceive to the service of a bull known to be a breeder, the matter must be reported in Writing to the seller before the heifer reaches eighteen (18) months of age. The seller shall have six (6) additional months in which to prove any such female a breeder and may use any registered bull of the breed available to him. Any female returned will be at the Buyer's risk. Where females sold as being "pregnancy tested safe in calf" the service sire must be as represented. If not, replacement or refund is mandatory. No guarantee is given that females will deliver live calves, or that they will carry calves full term or that the calf carried will not be mummified. The seller is not responsible for damage caused by foreign bodies or sickness not apparent at sale time. Should any female be transplanted, or given injections for such, guarantees are void.

SETTLEMENT OF GUARANTEES - Transportation charges on animals returned to the Seller are for account of the buyer. No incidental expenses such as feed, care, A.I. signing fees, interest, veterinary charges etc. will be charged by either party when making Settlement. If the seller is successful in proving the animal in question to be a breeder then said animal must be reclaimed by the buyer at his expense. Should the seller fail to prove the animal a breeder then the buyer is guaranteed a satisfactory replacement, F.O.B. ranch or location of origin or a refund of the actual purchase price paid. Should a dispute arise over the quality of a replacement animal the Canadian Blonde d'Aquitaine Association will appoint a mediator.
